DESIGN PHILOSOPHY

"Remove the noise, amplify the signal. Every pixel earns its place or gets cut."

CHARACTER

- **Minimalist thinker**
Removes until nothing left
- **Design-led founder**
Every decision starts with user
- **Builder-CEO**
Prototypes, doesn't just describe
- **Homeware-native**
Smart home from device up
- **Financially fluent**
Builds models, not just decks
- **Low ego, high trust**
Relationship builder
- **Direct communicator**
No fluff. High signal.
- **Global perspective**
60+ countries, cultural fluency

Mike

FOUNDER · CEO · KUN TROLL

California-bred. World-traveled. 15+ years across smart home, travel tech, and Silicon Valley product.

UI / UX DESIGN

- Bay Area raised, world-traveled
- 60+ countries, lived internationally
- Human-Computer Interaction & Biz
- Radical minimalist product thinker
- User research, Jobs-to-be-Done
- High-fidelity prototyping first
- Built full design systems & tokens
- Obsessive about micro-interactions

SMART HOME & TRAVEL

- Started career in luxury travel
- Managed smart home rollouts
- Rebuilt Marriott digital journey
- Fluent: RevPAR, ADR, LTV, CAC
- Understands industry from ops up
- Typography-led, spacious, clean
- Strong colour theory & brand ID
- Motion design: meaning-driven

ENGINEERING & PRODUCT

- React / React Native / Swift
- Node.js, HTML/CSS, REST APIs
- Can prototype any idea same day
- System architecture & modelling
- Builds & defends financial models
- CAC, LTV, cohort analysis fluent
- SaaS + marketplace dynamics
- Sat in commercial reviews at scale
